

Jewish Women's Aid Membership Scheme

Jewish Women's Aid is a unique Jewish organisation dedicated to both preventing domestic violence and supporting the women and children affected by it.

Since its formation as a national charity, thousands of Jewish women have approached us for help. Many have said that knowing that they are being supported by other Jewish women has been a comfort and of special importance.

As our profile rises so do our referrals and also our costs. We know that there are many more women out there who need our support. Please add your voice to ours by becoming a member of Jewish Women's Aid and helping to support our vital work. It only costs £45 a year - less than £1 a week.

If you can't afford £45 then please pay whatever you can. And please do spread the word and get as many friends to join as possible.

Please also do consider leaving us a legacy in your will.

Annual Membership Automatically Renewed

Complete your details below to ensure your membership is automatically renewed annually by direct debit. If you would prefer to join for just one year, there is a form overleaf. A gift aid declaration is also overleaf.
