

# Jewish Women's Aid Friends' Scheme

Jewish Women's Aid is a unique Jewish organisation dedicated to both preventing domestic violence and supporting the women and children affected by it.

We run the only kosher and observant refuge in Europe and, with space for 8 women and 14 children, it is nearly always full. Our free telephone helpline receives over 1000 calls every year. We also offer a free professional counselling service. We offer community support – a service which grew by over 60% last year and continues to expand. Our education programmes reach more and more children, last year the increase was 66% and we have plans to further expand. These programmes build awareness of the problem as well as helping the children develop healthy relationships for the future. You can read more about our work on our website [www.jwa.org.uk](http://www.jwa.org.uk)

Since its formation as a national charity, thousands of Jewish women have approached us for help. Many have said that knowing that they are being supported by other Jewish women has been a comfort and of special importance.

As our profile rises so do our referrals and also our costs. We know that there are many more women out there who need our support. Please add your voice to ours by becoming a friend of Jewish Women's Aid and helping to support our vital work. It only costs £45 a year – less than £1 a week!

If you can't afford £45 then please pay whatever you can; we still want your friendship. And please do spread the word and get as many friends to join as possible.

Complete your details below and ensure your membership of our Friends' Scheme is automatically renewed every year. Or, if you would prefer to join for just one year, there is a form overleaf.
