A LEGACY OF SAFETY

From one generation to another

HELP TO ENSURE THAT NO JEWISH WOMAN SHOULD SUFFER DOMESTIC ABUSE OR SEXUAL VIOLENCE ALONE

Leave a gift in your will

A gift in your will, however large or small, will enable Jewish Women's Aid to deliver culturally sensitive, life-changing practical and emotional support services to the hundreds of women and girls who turn to us each year affected by all forms of domestic abuse and sexual violence.

Leaving a legacy to Jewish Women's Aid can help ensure that Jewish women and girls feel safe from abuse and violence. Our cross-communal, prevention education programmes engage thousands of people across our community increasing awareness and understanding of the signs of abuse, healthy relationships and consent.

Donate in memory

Leaving a gift in memory of a loved one can provide a meaningful tribute that reflects the values they cared about during their lifetime. Giving in this way commemorates their life whilst having a life-changing impact on the women who turn to us in desperate need today.

In the words of a domestic abuse survivor

At 39, I felt trapped in an increasingly abusive relationship with my fiancée. Isolated from family and friends, I struggled with depression and anxiety. Despite my love for him, his controlling behaviour and physical abuse left me scared and confused.

Jewish Women's Aid became my lifeline. Their emotional and practical support, including counselling and legal advice, gave me the strength to leave the relationship and rebuild my life. Today, I'm free from abuse, mentally healthier, and looking forward to a brighter future.

By leaving a gift in your Will to JWA, you can help ensure that, future generations of women in situations like mine have the support they need to break free from domestic abuse and live with dignity and hope. Your legacy could save lives.

“

No woman should have to suffer domestic abuse alone. I know that leaving a gift in my Will to Jewish Women's Aid will enable Jewish women affected by abuse to receive vital specialist and culturally sensitive support when they need it most.
